

JOINING THE WRA ...

The Water Resources Association of the Delaware River Basin (WRA) is a not-for-profit 501(c)3 organization that is funded through the generous contributions and yearly dues of our individual and supporting business, municipal and corporate members, and by corporate sponsorships of conferences and events such as our annual Recognition Dinner. The events held by the WRA and sponsored by our members and other organizations provide an excellent opportunity to meet and network with other water resources professionals in the public and private sector.
